

Practical DoLs and MCA training for the independent and voluntary sector across Leicester City and Leicestershire - Leicestershire Social Care Development Group.

Carly Houghton

carly.houghton@leics.gov.uk

Project method

Support Care providers to understand their roles and duties as Managing Authorities. Share experience gained through actual cases. Understand and apply the learning of DoLs, including best practice on reducing restrictions.

Support care workers and any other relevant profession to obtain greater knowledge of the MCA, looking at when the 'test' of capacity may be undertaken. Greater knowledge and confidence about their role in supporting a functional test of capacity or a BI decision.

Project results/evaluation
