

Area for Improvement	Strength that can be built upon
The environment within the home	<p>Housing association have agreed to prioritise in next year's capital programme</p> <p>Friends of Acorns have some budget that they could contribute to new furniture</p> <p>One of the staff used to be a painter and decorator</p> <p>A number of the people living in the home were keen gardeners prior to admission</p>
Making care planning processes more person centred	<p>Staff members generally want to do the best for the people living in the home.</p> <p>Many people have family members who are in contact and can contribute to planning discussions</p>
People living in the homes to be more involved in the day to day activities.	<p>There are some staff members who currently support people to tidy their rooms rather than doing this for them.</p> <p>Two people living in the home are keen on baking and occasionally get to bake cakes with the cook.</p> <p>The care management team has a linked Occupational Therapist who would be able to provide training to staff</p>
