

Co-Production in Hampshire

The journey

Monthly meetings – initially face to face and then virtually during and post covid-19 pandemic

Group co-produced CHC/Fast Track/PHB leaflets and updated WHCCG website.

Mar 2019

Mar 2020

The co-production group was established following successful collaboration between CHC and those with lived experience during the Personal Health Budget (PHB) implementation.

Continued involvement in PHBs, including looking at liability insurance options for direct payment holders, support around training for PAs and carers, reviewing documentation and processes

Monthly meetings – initially face to face and then virtually during and post covid-19 pandemic

CHC ‘coffee mornings’ established. Opportunity for staff to meet informally with lived experience experts.

Apr 2020 – Dec 2021

Sept 2021

Group instrumental in supporting CHC clients during COVID-19, particularly around access to PPE, employment advice for direct payment holders and general well-being support.

Continued involvement in PHBs, including looking at liability insurance options for direct payment holders, support around training for PAs and carers, reviewing documentation and processes

Monthly meetings – initially face to face and then virtually during and post covid-19 pandemic

Hampshire Co-production group expanded to cover IOW, Southampton & Portsmouth CHC teams.

Jul 2022

Aug 2023

Hampshire and IOW Integrated Care Board was formed, merging four place bases; Hampshire, IOW, Southampton & Portsmouth.

Continued involvement in PHBs, including looking at liability insurance options for direct payment holders, support around training for PAs and carers, reviewing documentation and processes

Monthly meetings – initially face to face and then virtually during and post covid-19 pandemic

Group on hold due to ICB restructure and consultation. ICB co-production strategy under review.

Sept 2023
