

Young onset dementia:
Diagnosis and early stages for younger people

social care
institute for excellence

Activity

Select and visit one of these group's websites:

- DASNI: www.dasninternational.org/
- The Clive Project: www.thecliveproject.org.uk
- The Scottish Dementia Working Group: www.sdwg.org.uk

Find out what you can about the organisation and how it helps younger people with dementia.

Write down what you found out and share this with your line manager.

Talk to your manager about the particular issues facing younger people with dementia and reflect on how well your organisation seeks to understand the needs and entitlements of younger people with dementia.
