# National workshop questions

## **Workshop 1: Integration; What should the future look like?**

Aim: to encourage attendees to think about innovative ways that any future programme could support better outcomes through integration of health and social care from 2020

Synopsis: Integration of health and social care remains high on the government's agenda. Integrated services are believed to: improve outcomes for service users; make limited resources go further; improve people's experience. Considering the current integration landscape please answer the questions below:

1. To what extent is integration helping to improve services currently?
2. What hinders progress?
3. What are the outcomes that integration should help achieve in the coming years?
4. What changes would help promote integration of health and social care services?
