- Approx. 2000 Clients
- Elderly services
- Mental Health services
- Learning Disability services

The Problem

Mental Capacity Act

- Complicated law
- Misunderstanding
- Jargon
- Difficulty in linking practice with theory
- Anxiety / Denial!

Solution

- Listening to staff
- Use familiar words
- Make it personal
- Link it to practical examples
- Confidence
- Pilot
- Laminate!

MCA Key Principles
My commitment to the people I support under the key principles highlighted in the Mental Capacity Act 2005

My PRIME Commitment

Positively assume you can always make your own decisions

Really support and encourage you to make your own decisions

If you make an unwise decision, I will not assume you can't make decisions

Make sure that if any decision is made for you it is made in your best interest

Ensure that if a decision is made for you it is done in the least restrictive way

The Future

- Launch sessions for Managers
- Real life case studies
- Train the Trainer scheme
- Website launch

Keep listening & learning!
