

Care Skillsbase

Skills Check links to induction standards and Health & Social Care units and qualifications

Note Skills Checks use short learning activities based on typical care work tasks and situations, such as using a care plan or coping with cultural differences.

Although they are not mapped directly to care standards, many Skills Checks include topics relevant to one or more standard and/or qualification. The list below shows how Skills Checks may relate to induction standards and core and mandatory units of the Diploma in Health & Social Care at Levels 2 and 3.

You may take a different view, based on your own local circumstances, on how Skills Checks relate to induction standards and Health & Social Care qualifications.
